## **CAMP EMT**

### **Seasonal**

We are in search of EMTs (or Paramedics working as an EMT) who are experienced, comfortable with independent decision making during an emergency, customer service oriented, and enjoy the Sierra Nevada mountains in the summer.

**Assignment:** Working as a solo EMT at a family summer camp. The camp primarily houses adults who enjoy recreation. EMT shall respond to emergencies on private camp property and treat sick or injured patients using California basic EMT scope of practice. EMT will also act as a liaison to local first responders.

This is a “non-transport” assignment in a rural environment and there is no medical billing for services. Therefore, the EMT paperwork is very limited (no long PCRs to complete). EMT will assist Nurse Practitioner as needed in camp medical clinic.

**Location:** Pinecrest California, at UC Berkeley’s Alumni Camp, Lair of the Golden Bear, approximately 30 miles east of Sonoma. Physical address is 1 Camp Blue Road, Pinecrest CA.

**Benefits:** Candidate will be hired as an employee of Survival AED, LLC and will be covered by workers comp and professional / general liability insurance. Pay varies depending on number of hours worked per day/week, overtime, etc. Daily rate for a 24-hour period is approximately \$600.

Meals and lodging are included for the duration of this assignment. Lodging is normally available to the EMT the night before shift.

**Requirements:** Current California EMT certificate. Current AHA BLS Provider Certification.

**Desired Experience:** At least 2 years of experience.

**More Information:** EMT will have a golf cart, radio and medical gear to roam between three individual camps. Each camp has a dining hall, swimming pool and other amenities. The camp is staffed by approximately 140 college students as well as chefs, maintenance, and other personnel. The camp capacity is approximately 2,000 people. The EMT is expected to be visible throughout the day but will be off duty at night.
